A report on
"Tree Plantation Drive"

World Environment Day and Van Maha Utsav Day

It is our pleasure to participate in nature preservation activity as understanding the importance of nature to our survival and conserving it in any way is our moral responsibility. It's not difficult to imagine that without trees, humans would not exist on this lovely planet. We have also noticed a shift in nature's purity and a reduction in pollution. This event is a step in the right direction in achieving a healthy environment, reconnecting humans with nature, and fostering environmental protection stewardship. Keeping this in mind Shri Chinai College of Commerce and Economics have organised "Tree Plantation Drive" on behalf of World Environment Day and Van Maha Utsav Day held on 4th July, 2022 at Aarey Forest, Chotta Kashmir, Goregan, Mumbai.

The program was organised by Prof. Jharna Sarkar. The program began at 10.am sharp. The initiative taken by our College Teaching and Non-teaching staff. More than 65 students have participated including our faculty members. Trees are the most important part of natural resources. It is our moral responsibility to conserve it with the highest priority. All the participants have planted more than 100 saplings (Neem, Mango, Ashoka, Padkarni, coconut, sitafal, etc) around the open spaces in Aarey Forest. At the plantation of saplings, all the participants were happy to plant the trees and sharing to spread awareness among the citizens with a slogan "EACH ONE PLANT ONE" – "SAVE PLANET SAVE PLANTS" to maintain the divinity between the human and nature.

Our College would like to thank the Chief Executive Officer – Shri Ravindra Pawar of Aarey Forest for giving us the opportunity to plant trees in aarey. We would also like to thank our Principal Sir. Dr. B.B.Kamble for encouraging and giving permission to plant trees in the vicinity of the area.

I would also like to thank all the teachers and student for participating and making it a grand success.

Prof. Incharge
Jharna Sarkar
