ACTION TAKEN REPORT ON FEEDBACK ACADEMIC YEAR

2023-2024

Internal Quality Assurance cell (IQAC) makes it a tradition to mandatorily collect the feedback from students through the feedback committee. It collects and analysis the feedback from students and submit the action taken report to the authorities.

Objective: The ultimate objective of this exercise is to the measure the impact of all the efforts of the institution. The institution intends to enhance its benefits to reach out to all the students, teachers, alumni through the best possible way by far. The feedback is collected and analyzed through statistical tools based on the options of the students, teachers, alumni and henceforth further action is taken by the feedback committee.

Student's Suggestion:

Suggestion	Action Taken
Job oriented activities were requested.	Considering their valuable suggestions, institution has started focusing more on campus placement drive.
More of practical training sessions expected by the students.	Teachers have started involving themselves more into practical sessions. In order to make their teaching even more interesting.
Sufficient number of prescribed books/ references materials should be available in the college library.	The library has purchased the books as per the recommendations by the students.

Teacher's Suggestion:

Suggestion	Action Taken
Teachers should have the ultimate freedom to adopt innovative techniques and strategies of teaching.	The received details of the feedback from the teachers, are considered and accordingly instructed to the teachers to enhance their pedagogical skills by the way of adopting and implementing innovative techniques and strategies, such as ICT classrooms are made available.
Teaching methods and teaching aids must be improved.	Taken in to consideration their valuable feedback, the institution tried their level best to cope up with the teaching methods and teaching aids. Computers labs were updated and ICT classrooms for better learning.

Alumni Suggestion:

Suggestion	Action Taken
Students suggested for improving the canteen premises, computer lab.	The college has made necessary changes in the cafeteria after receiving valuable suggestion. Necessary changes have been made that is giving hygienic food for staff and students. A computer lab with LAN internet services hardware and software was structured on the ground floor.
Students recommended improvisation for Gymkhana.	Necessary changes in the gymkhana taken place and made provision for all sports of indoor and outdoor games.
