Policy Document on Environment and Energy usage

The Environment and Energy usage Policy of Shri Chinai College of Commerce and Economics is to manage energy in such a systematic way so as to minimize its impact on the environment.

This environment and energy policy is binding for all the components of the institution and applies to all its stakeholders and to the various activities undertaken by the institution. The College envisions a clean and Green Campus to promote sustainable and eco-friendly green practices within the campus and beyond. It focuses to streamline responsible waste management practices and on water management and conservation initiatives in its daily practices.

This will help us to embed efficiency and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage.
